

Renewable Electricity Contract

e.on

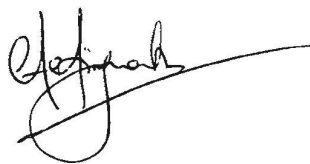

Declaration

Presented to:

Little Britain Opco Limited

For choosing a REGO backed contract sourced by electricity generated from renewable sources between
01/10/2020 - 30/09/2022

E.ON declares that it will procure sufficient electricity that meets E.ON's interpretation of the WRI GHG Protocol Scope 2 Guidance from renewable wind sources with zero carbon emissions to match your expected electricity demand for the contract period for this site.
